# food for digital nomads

## picture book

*For the past 5 years (2004-2009), I've been a digital nomad of sorts - traveling for work in countries such as UK, Australia, India, Turkey, New Zealand, Israel and Malaysia. Living in hotels and eating at hotels, cafes, and restaurants. This is a picture book showing some of the meals I've had during that time. No wonder I've put on weight! -- kath*

A close-up photograph of a coffee shop counter. In the foreground, a dark-colored cup with a gold rim is filled with a latte, featuring a delicate white swirl pattern on the surface. To the left of the cup, a silver metal holder is filled with numerous brown paper sugar packets. Behind the cup, a white paper bag is partially visible, with the text 'LAURENT BOULANGERIE PATISSERIE' printed on it in a black, serif font. The background shows a window with a metal mesh screen.
